

The Carrie Ann Inaba Animal Project (CAIAP) is dedicated to providing funding to grassroots animal rescue organizations, assisting with emergency rescue and medical costs, fostering and adoption of high-risk animals, and spay and neuter services. The CAIAP was created to actively help those who have no way to help themselves.

REQUEST FOR FUNDING SPAY-NEUTER PROGRAMS

DESCRIPTION

The CAIAP targets its spay/neuter grants to grassroots organizations that provide services to low-income communities, or where services are not widely available. Approved grant amounts range from \$100-\$1,000, or more, depending on the need, program outline, impact and available funds.

ELIGIBILITY

Grants for spay/neuter support are considered to organizations that meet the following criteria:

1. Organization must have an IRS determination as a 501c3 charitable organization.
2. Organization must have a minimum of two years of successful programming in animal rescue, adoption, care or advocacy.
3. Spay/Neuter programs should target low-income communities, where resources are not widely available (examples - voucher programs, mobile clinic, other outreach, etc.)
4. Application must be completed before consideration is made.

5. Completed application and materials may be submitted to: info@caiap.org

CAIAP does not provide funding for spay/neuter to individuals, independent rescuers, shelters or other groups that do not meet the eligibility requirements listed above.

REVIEW PROCESS

CAIAP reviews each request based on the following criteria:

1. The potential of securing a forever home of the animals that are rescued
2. The overall track record of successful rescues by the organization.
3. Additional pledges have been made to support the rescue
